John is a retired USAF Captain, having served 22 years in a wide range of both enlisted and commissioned officer positions. He was awarded the Bronze Star medal, Meritorious Service medal and multiple Commendation medals during combat operations in Vietnam. John served on the Economics Faculty of the USAF Academy.

Before moving to Holden Beach, John and his wife, Marie-Pierre, owned property on the Beach but lived in Luxembourg with their three children,

where John worked for various government agencies and large corporations.

John's work history includes being Chief Executive of Mentor International, Managing Director of Delta Control Group, Executive Director of the Institute of Internal Auditors, Director of Telecommunications and Control Evaluation for Borg-Warner Corporation, Director of Industrial Engineering and Audit for Union Pacific Railroad. John has served on numerous Boards and has consulted for The National Association of Corporate Directors for over 20 years. Professionally, John holds a Doctorate Degree in Business Administration from Colorado University and is a Certified Public Accountant. He also holds a 100 Ton Master Captain's license from the US Coast Guard and is an under water Dive Instructor with a Master Trainer rating. John is the former Dean of Academics at Lake Forest Graduate School of Business and lectured at Harvard Business School MBA Program for 10 years.

John is a past Vice-President and Director of the HBPOA, a member of the Holden Beach Board of Adjustment, Chair of the Long-Range Planning Committee and a member of the Outreach Program for the Holden Beach Chapel. John, along with his wife, Marie-Pierre (member of the Holden Beach Chapel Choir), also serves on the Holden Beach Turtle Patrol and the Stranding Team.
